Prayer for Kings was written as a personal prayer in 2017 before I was married.

During this time, the Lord had revealed to me my husband but also had called us into a season of purification. At this time, my (now husband) was not interested in marriage – though I believed intently that the Lord had not only revealed through dream that His purpose for us was marriage – He had also confirmed His word through prophetic confirmation.

In this season, the Lord showed me I was to apply my faith. These prayers were birthed out of warfare. I inquired of the Lord the hesitation of our marriage. It was then the Lord revealed, “There are witches with your marriage on their altar.”

During prayer, the Lord laid these series of prayers on my heart that I believed he instructed me to fast and pray through.

I fasted and prayed these prayers consistently every day for twenty-one days. After twenty-one days, the Lord told me to then spend the next season now in faith and thanking Him for completing the prayers I had prayed.

I honestly do not know when I stopped praying the prayers of faith in gratitude – however, in July of 2018, my lord made his declaration of intent to marry me.

In September we were married.

Why am I sharing these prayers now, in 2023? Honestly, in obedience. I have additionally made a few minor edits to the original prayers as well; nevertheless, if you are led to these prayers, I believe that your breakthrough awaits and the strongholds that have been holding back your marriage is being released. I believe with you. Be it done to you, according to your faith.

This is War

Pray Aloud...

- **Father Yahweh, in the name of Yeshua I come before you laying my husband at your altar.**
- **I pray that he has a mature relationship with You, Yeshua and the Holy Spirit.**
- **I pray that He is filled with the Holy Spirit and can easily discern the voice of the Holy Spirit. As he hears, I pray that he is obedient to this voice. May his spirit be too sensitive to rest in anything that grieves you, Father.**
- **I pray that he walks in the anointing and purpose that you have designed him to walk in and that He understands and knows his destiny in you and the will that you have for his life.**
- **Father, I pray that he is a worshipper and loves to pray, as well as praying in the Holy Spirit with the manifested gift of his tongue language.**
- **I pray that He loves to attend assemblies of services that are ordained by you that we not forsake fellowship, and that you lead him into whatever area of service you have called him into.**
- **I pray that he loves Yahweh more than he loves anything or anyone and that he is not willing to compromise spiritual principles.**
- **I pray that he understands his identity in Yeshua and has a revelation of grace and salvation.**
- **I pray that he desires and is submissive to divine spiritual leadership and authority ordained by you.**
- **I pray that he is first submissive to Yeshua as Lord over his life.**
- **I pray that he has a revelation of his role as a husband, father, and disciple.**
- **I pray that he loves me as Yeshua loves the church and gave His life for her.**

- I pray that he grows more and more in spiritual things, desiring to live a holy lifestyle of fasting, praying, worship, unwavering faith, and obedience to you.
- I decree that he is a man of much prayer and that he is a man of integrity. I decree every hidden thing will be exposed and come under subjection to the will of the father.
- I pray that you impart upon him the spirit of the fear of you as Yahweh Lord and that you also reveal to him wisdom and revelation of his anointing and how to operate in it.
- I pray that the voices of the enemy be silenced completely over his mind and ears, and he shall hear your voice and your voice alone. I plead the blood of Yeshua over his mind and decree it untouchable to the hands of the enemy.
- I pray that in the moments he stumbles that He is quick to repent and get back in right alignment so that the enemy will have no grounds in his life.
- I pray that He slow to anger and slow to speak but quick to listen to your voice and the voice of your prophets.
- I pray that you expose and heal soul wounds. Where there is need for the Father's love healing, I pray that you heal every area of father's hurt that prevents him from entering full fellowship with you Father. Give him a revelation of your love and purpose for him.
- I pray that he hungers and thirsts for righteousness.
- I speak a lack of peace in decisions that do not please You; give him wise counsel and the spirit to be quick to follow it.
- I come against every stronghold operating in his life and ask that you expose the root of it. I decree that these strongholds be uprooted and bound up in the name of Yeshua. I decree that the

fruit from these strongholds die instantly, and the seeds of these strongholds die by your consuming fire.

- I pray reveal generational curses and uproot them as well. I speak to the root of every generational curse, and I call it null and void; no longer will the generational curses of (call them out if you have revelation of them) operate in his life.
- Father, I pray for a spiritual awakening where there has been slumber and a fresh wind of your Holy Ghost fire to manifest within.
- Father, I come against the spirit of pride and arrogance, rebellion and its attachments in his spirit, soul, and body. Help his stubbornness be for righteousness and righteousness only.
- Father, I decree that he is free from every curse spoken over him through music, words released from his mouth, words released through others. Give him wisdom to guard his tongue, to speak life, and guide him to righteously call those things that be not as though they were. Where he needs to renounce and disavow curses, expose, and give him wisdom to do so quickly.
- I decree wholeness in his body and that he is free from parasites, fungi, bacteria, excess weight, (other conditions); give him supernatural wisdom and the supernatural will to care for his temple that you paid for.
- I pray a protection over his anointing and decree that he shall live and not die and declare your works. I decree that the will of Yahweh will be fulfilled and manifested over his life.
- I decree that he is quick to hear and obey Yah's voice. I pray for a fresh fire to consume his flesh daily.
- Give guard over his eyes and ears where they burn with a desire for righteousness; allowing no unclean thing to manifest itself in front of him.

- **I pray for a heart of fire that will keep him from adulterous women. I decree that a wedge of protection be between him and all harlot, Lilith, succubus, incubus spirits, witchcraft, Jezebel, and unclean spirits. I come against any and all sexually perverse spirits that have attempted to take root or taken root in him; I curse these spirits from their root and decree that their fruit wither and be null. I declare him free from all spirit spouses and spirit children.**
- **I declare that he is sexually pure in spirit, mind, body and soul. I decree a fire of protection around him from women operating in seducing and manipulative spirits. Give him wisdom and revelation to see the heart of women that are on assignment for his call, destiny and life to destroy or distract him. Lord instead let women that have your heart come along to enhance his life and his household as you see please, to fulfill the call that you have called him into.**
- **I pray that you give him discipline over his finances, that He is a giver like you, and that he has a heart to give as well as the obedience to give.**
- **I pray that you give him a boldness to speak your truth in love, and that in doing so that there will be a death to self-glorification. Father create a new man in this husband you've blessed me with where he is completely new in talk, walk and mind.**
- **I pray that your love overcomes him so that he is quick to share the gospel with fear of you, wisdom, revelation, and understanding.**
